For the attention of Mr Robert Palmer, Managing Director

Re. UK Stockholder of Shipham Valves Ni-Aluminium Bronze Valves

Shipham Valves a trading division of Wartsila Valves Limited hereby offer our full support to RP Valves as an authorised stockholder of our Nickel Aluminium Bronze valve range.

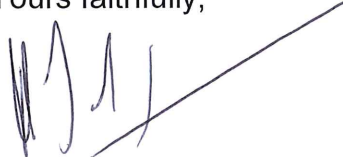

RP Valves hold an extensive inventory of the Shipham Valves range including Gate, Globe, Check, Ball and Butterfly Valves in varies sizes, pressure class and end connections.

All modifications to the stockholding will be performed in accordance with RP Valves ISO9001; 2008 quality management system and re-tested to the relevant pressure testing standards i.e API6D/ API598 / BS EN12266, where applicable.

This letter of support and co-operation is intended to provide our mutual customers with the highest level of customer service by combining RP Valves extensive stockholding for immediate product availability, with the backing of technical and quality support from the original equipment manufacturer 'Shipham Valves'.

We look forward to continuing our successful working relationship into the future with RP Valves.

Yours faithfully,

Martyn Johnson
International Sales Manager
